

ANNEXURE A

The Water Board Sector, as defined hereunder, in the Republic of South Africa

“Water Board Sector” or “sector” means the sector in which any organisation provides water services to other water service institutions, as defined in the Water Services Act, Act No 108 of 1997, excluding the Local Government undertaking in the Republic of South Africa.”

“Water Board” means an organ of state established or regarded as having been established in terms of this Act to perform, as its primary activity, a public function.

“water services” means bulk water supply services and sanitation services.

“water services institution” means a water services authority, a water services provider, a water board and water services committee.

“Water service authority” means any municipality, including a district or rural council as defined in the Local Government Transition Act, 1993, responsible for ensuring access to water services.
